

ALLEN ROBINSON:

Allen Robinson serves as one of the Managing Partners for LAP Energy Solutions. Previous to this new venture, his work experience has extended over 20 years in various entrepreneurial businesses. His career began in 2004 as a summer intern with Northwestern Mutual. His first position post college was as an independent investment advisor with a small firm in Kansas City. He has later worked as a financial advisor for the military and their families all across the globe. He's spent approximately 12 years as the sole proprietor of a ranch management and consulting company in Texas where he developed financial plans, tax strategies, business plans, and active management for land and ranch owners all across the state. While starting and running that business he also started 2 other companies. One is a fruit brokerage company called The Grape Link where they broker wine grapes from the vineyards to the wineries. The other business called Texagon Investments, where he actively buys and sells real estate.

During his career, Allen has had the opportunity to expand his growth through many aspects of his various businesses. He has a passion for leadership, financial planning, and business efficiencies.

Allen was born and raised in Spring Hill, Kansas. He attended Kansas State University where he achieved a Bachelor of Science (BS) in Financial Planning with a minor in Economics. He also holds a Master of Business Administration (MBA) graduate degree from Baker University.
